January 16, 2026

Registration to the C&J European Championships in Tbilisi

Information Letter no. 03-2026

Dear Member Federation,

Please note that, in compliance with FIE decisions, including Information Letter no. 30/2025, the EFC Bureau has sought the least bureaucratic and most consistent approach to the situation. Accordingly, it was decided to proceed in the same manner as in Antalya in 2025, where BLR and RUS were participating, since that event was considered an FIE event.

The EFC Statutes apply exclusively to EFC-designated events.

The same principle will, of course, apply to the upcoming event in Tbilisi. The EFC remains fully committed to following the recommendations of the IOC Executive Board, endorsed by the IOC Summit on 11 December 2025, and adopted by the FIE through Information Letter no. 30/2025.

Consequently, entries for both Cadet and Junior events must be done via the FIE website exclusively.

Pascal Tesch
President
